

# ELEVATION PROGRAM SPONSORSHIP

## Communicating with your Sponsored Student

Receiving a letter is always a special moment. A letter transports so much more than words. Taking the time to sit down and write some heartfelt and personal lines is a reflection of love. Communicating through letters builds relationship and allows for sharing in each others lives despite the distance. Writing a letter is simple. We know everybody likes getting letters. That's why we want to give you the opportunity to write a letter to your sponsored student. We believe building a relationship with your student makes a big difference. This template makes it easy for you to write a little note. Just follow these few simple steps:

1) Print this template and fill it in. Of course you can also create your own letter or draw a picture. Please be sure to indicate the student's name and ID#, which can be found on the top right corner of the student's profile. You may include a couple photos of yourself, your family or your neighborhood, but please be aware that we are unable to send gifts to your student.

2) Then, scan or upload your letter and email it back to us at ([elevationproject@youthunlimited.com](mailto:elevationproject@youthunlimited.com)). Alternatively, you can send it via mail:

Attn: Elvation Project, 115-12975 84th Ave  
Surrey, BC V3W 1B3
