

THE EVENT

Now in its eighth year, YUnite Outside is an embodied experience of solidarity with vulnerable youth that creates tangible support through our organization, Greater Vancouver Youth Unlimited.

On November 13th, we'll come together trading our beds for cardboard and concrete for the best, worst sleep of our year. It's a way to make a real-life difference while being gifted the opportunity to grow in empathy through discomfort and reflection.

WHY IT EXISTS

YUnite Outside is a collective win for GVVU and the community.

RAISING AWARENESS

YUnite is a chance for the community to learn more about the challenges that at-risk youth in our region face, and about YU's work with these youth through support and prevention.

RAISING FUNDS

Funds raised go to GVVU's programs, providing tangible support for youth across our region. We are pleased to be able to maintain a low event overhead to maximize the impact of funds received. **This year, our goal is to collectively raise \$250,000.**
